June 2019

Hi Riders,

The year is certainly flying by us with July fast approaching and we are well into Winter now. Hope everybody is managing to get some riding time in as winter time can be the best time to keep working through our training issues for the next season of competition.

We had a lovely day at our June club day with some nice sunshine. Thanks to Catrina for judging for the day. Our July freshman's is only a week away so remember to renew your membership if you wish to compete on the day.

Our Agm is scheduled for July 25th at Wild Cattle Creek in Wandin. This night is a great way to catch up without our horses and support the club that supports you. We also present the winners of the leaderboard with their trophies for the last season. More information on the night can be found in the following pages.

Look forward to seeing you at the July freshman's.

Happy Riding.

Michelle Oliver.

Arena Familiarization Rides at Club Days

We are now offering arena time on a club day for riders not wanting to ride a formal test. You will be given the same amount of time in the indoor as any other rider riding a test. The cost of this will be \$15 as no judge will be required. Please book your ride at the time of entry as per normal entries, times will be allocated for your arena time according to the entries received. This applies to horses NOT competing on the day. EG young horses etc.

AGM

The AGM will be held on the 25th July at Wild Cattle Creek, which is a great opportunity to catch up with all the club members, celebrate the trophy winners and have great meal.

We encourage all members to think about giving back to the club and joining the committee, details are at the end of the newsletter.

A note for all riders – Equine Corona Virus

Recently my mare Charm contracted Equine Corona Virus (EcoV), it is spread by fecal - oral transmission and is a gastrointestinal illness that is shed in manure.

Signs and symptoms are high temperatures, loss of appetite, lethargy, diarrhea, mild colic, flank watching, lying down. It is a zoonotic disease so we can catch it and so can other animals. Care is intravenous fluids, fever reducing medications, gastrointestinal protectants, and anti-ulcer medications. As it is contagious, the horse needs to be kept away from other horses (isolation), you need to use disinfectant foot baths, individual thermometers, disposable gloves, separate equipment and hand washing after handling the affected horse.

I wanted to relay my story as initially we thought we were dealing with colic. I spent \$8,500 in 8 days at Werribee Vet Hospital to be told they weren't sure what was wrong with Charm. I then took her to Jim Vasey at Shepparton Vet Hospital where blood and fecal tests were run and EcoV was diagnosed for a further \$6000. I am grateful to Jim and Sandy Cornell for finding an answer.

As Charm had not been off my property except to do one of our training days at Gladysdale and later I judged, I put her in a small paddock as I didn't want to leave her tied up to the float for a few hours. I didn't notice how much manure was in the paddock until I started to clean it later before I took Charm home. I can't stress the importance of cleaning yards and paddocks at our competition venues. It was a costly experience for me and Charm.

I must say this virus is rare. Take care when using equine facilities x Viv

Janina Fundraiser

Below are details on a [fundraising event for Janina Kletke](#) if any members would like to attend or to make a donation [click here](#)

During an act of true kindness and bravery helping a complete stranger in the recent Bunyip bushfires, Janina Kletke was unfortunately left with a major Acquired Brain Injury.

After being rushed to The Alfred Hospital Janina was placed into an induced coma for three weeks, after a further two week stay she was relocated to a rehabilitation facility. Through sheer determination she has defied her doctors expectations and is now a rehabilitation outpatient and will remain for some time.

However, Janina has been left with some significant impairments, which affect her ability to be independent and earn an income.

'A Night for Janina' is her first opportunity to thank everyone involved in her long and difficult journey to recovery so far.

The night will raise much needed funds for Janina's continuing and substantial rehabilitation costs, and to help cover her living expenses while she is unable to work.

Announcement of Sponsorship

Down in the beautiful Yarra Valley in Victoria, there is a small family run business called "The NRG Team".

They make very practical feeding and grooming products for horses. You may even already use No Nots, Proplaits or Stride Hoof Dressing.

Being horse riders themselves, they offer you products that will suit your horse, whether it is Pro-protect Cream for legs or Pink Noze for white faces, maybe the time is right to consider Stockgain as an all-round supplement in their feed?

The NRG Team supports many horse events around the country every weekend, so why not support this Aussie company in return?
