

Designed and built by experts – for experts

The Winnie mobile tack box has been developed by experts who are well aware of the tough and exacting everyday demands a rider must face.

The mobile tack box is fitted out to accommodate all manner of riding gear in the best possible way. The shell of the box is made of very tough polyethylene. The box is lockable, has generous, well-ventilated interior spaces, adjustable saddle hangers and wide wheels, is lightweight and offers many other benefits.

The Winnie tack box is certain to be your practical and efficient 'assistant' for many years to come.

Attractive colours

The available colours enables the Winnie mobile tack box to blend well into your surroundings.

Subject to slight colour variations due to the printing process.
