President's Report

Hi Riders,

We had another good day at Glenbrae and were very lucky to be blessed with lovely sunshine after a brisk morning. It is always good to see everybody having an enjoyable time both with their riding and socially. Big thanks to our judges organiser Karen who had a fun job trying to get judges for the day as lots of other events seemed to be on, and a huge thanks goes out to both Judy Gronn and Chris Sudul who gave up their time to judge for us and donated their time to the club. Thanks also to all the other volunteers on the day.

We have our AGM to come up on the 8th of July and it will be at Judy and John Thompsons lovely place in Gruyere. We will need to get numbers so look for more information in the following pages.

See you all at our next Freshmans day at Glenbrae.

Happy Riding.

Michelle.

EFA CORNER:

At this months meeting the Dressage Festival and DWTS were discussed for problems, improvements and the final outcome of each event. Both events were extremely successful financially and it was felt that both ran well. Good feedback was received and the guest Ton de Ridder, was a great success with riders and organizers! Next years guests will be INGRID KLIMKE and GREG BEST (jumping). The dates for your diary are 24 – 26th March 2011. The committee wishes to thank everyone who helped!

Marcus Oldham have signed up as a sponsor of the Aachen Challenge, which is held for young riders at the Dressage Festival, for 5 years.

FUNDRAISER for the DF will be held on 19th September at Werribee. Entries will close 6th September. Assistance will be required if anyone wishes, or can, help.

The DRESSAGE HANDBOOK is almost ready to go to the printer and you will receive a copy with your annual renewal to the EA.

FACILITY FEE – this is to increase to \$15 in the 2010- 2011 year for WPNEC.

The current arenas used by the VDC in the sand/jumping area have been deemed not compliant with EV rules and cannot be used after June 30th. Two new arenas are being purchased.

THE NEW GRADING SYSTEM - due to be introduced on July 1st is encountering some technical problems in the cross over stage and will not be ready for implementation in July. We will keep you informed of their progress and meanwhile, the old system will continue. If you are considering qualifying for any Championships or do not want to point out of a level, you should carefully monitor your situation until the new system is up and running.

MELBOURNE 3 DAY EVENT: The Dressage High Performance panel are running a dressage event with 8 horses. This was to be a qualifier with selectors present, but as Rozzie and Rachel cannot attend and Brett's horse is in Europe, there is no one else in Australia who has qualified for WEG. The event will now be run as more of a demonstration and a PR exercise for the dressage discipline.

That is all the news from the EV this month. If there is any matter any member wishes to have discussed at these meetings, please send me an email and I will be happy to raise it for you. Until then.....

HAPPY RIDING!! **Rae Ansell**

“YOUR MEMORIES DOCUMENTED 4 ALWAYS”

Ever wanted to document your life, or your loved ones, but didn't know where to start? Writing memoirs are a thing of the past, but so much family history is lost because no one asked the questions or it was just too time consuming to write it all down.

Photographs from your past and your favourite music are added to tell your story
presented beautifully on a DVD.

Your grand children, your great grand children and generations to come will be able to get to know you; family history is **documented** and not lost, and your life becomes something that can be acknowledged and looked back on with love, laughter and warm memories.
